Located between the train station and Lendplatz, at Marienplatz 1, you'll find Rondo Eat+Drink. In this urban architectural-style establishment, an ambitious and creative menu awaits you, featuring combinations of regional, Italian, and Asian ingredients.

Under the culinary guidance of Isabelle Kreutzer, fresh fish and seafood prepared with fresh herbs make their way onto the ever-changing, concise evening menu. Whether it's the „Cafe de Paris“ ribeye steak, Rondo Burger, Surf & Turf, truffle ravioli, or homemade tiramisu, everything at Rondo Eat+Drink is freshly cooked. Chef Isabelle Kreutzer creates two daily lunch menus and several à la carte dishes.

The wine cellar offers Styrian white wines, Burgenland and Italian red wines. The winter garden and outdoor garden invite you to enjoy cozy moments in the heart of the city.
