The *Scherbe* is an urbane, traditional, nostalgic and yet contemporary place to eat with a great atmosphere. At the weekend, the guests are invited to take a “breakfast journey”, with dishes from any number of different countries available, as well as a choice of a Persian, English, Indian, Tuscan, Swedish breakfasts, a vegetarian option or a local Vulkanland breakfast (from 10:00 to 15:00 hrs). Good value menus are also available for lunch, and the internationally-inspired cuisine in the evening is also great. The Scherbenkeller regularly hosts readings, theatre events and concerts. Another tip: the charming outdoor dining area in the courtyard! Credit cards not accepted.
