For 130 years – as one of the oldest inns in Graz – the Bauernwirt in Straßgang has relied on a successful combination of tradition and contemporary spirit, which is also reflected in the variations of its cuisine. In the summer, the outdoor dining area invites guests to linger, and in the local and seasonal cuisine, emphasis is placed on regional products. Particularly popular: The freshly-roast chicken (also to take away) and the ploughman's lunch for two.
