The new Salon Marie – Restaurant & Bar in the Grand Hotel Wiesler proves that here in Graz, we don't just have our own culinary style, we also have our own interior style. "Back to the good life" is the motto, which is immediately evident in the extravagant ambience and pure joy in the culinary arts. The menu features international classics from Tuna Tataki to French Steak Frites, but first and foremost: superb Cordon Bleu. The furniture is also a sight for sore eyes: Lots of green, cosy elements and stylish leather and brass decorate the salon.
