The Ibis Hotel is located at Graz Central Station. It is therefore located close to the centre of Graz and is very easy to reach by public transport. Guests with limited mobility and families with small children can feel completely at ease at the Hotel Ibis thanks to some special amenities:

Public accessible parking spaces are available for guests adjacent to the hotel. The hotel is easily accessible via a ramp with an incline of ten percent in the entrance area. All hotel rooms and the breakfast room are accessible by lift.

Four hotel rooms are specially equipped with handrails to meet the needs of guests with limited mobility. In the adjoining bathrooms, handrails are provided on the left-hand side of the WCs and in the shower area. The shower is also equipped with a fixed installation shower seat with a large sitting area. On the second floor there is an accessible WC open to all guests, which is equipped with handrails on both sides.

For families there are three baby beds and three extra beds available in the hotel. There is a high chair for children in the breakfast room.

The hotel staff are available to assist guests 24 hours a day. A special service is the 15-minute service guarantee. This claims that all problems for which the hotel is responsible will be solved in 15 minutes or less.

It goes without saying that free wifi is available to guests at the Ibis Hotel. All of the hotel rooms are air-conditioned.
