THE BEAUTIES OF GRAZ

An interactive discovery tour of Graz

This interactive multimedia guide will become your personal travel companion in Graz. The guide leads you to the amazing beauties of Graz city center and tells you exciting and funny anecdotes about them.

There is also a tricky question to answer at each station. When you have solved all the quiz questions, you will receive a small gift from Tourist Information Graz Region (Herrengasse 16, Graz).

How it works:

1. Download the locandy app – available for iOS and Android and install the app.
2. Start the tour with a QR code search.
