Your stay at harry's home takes you directly to Smart City Graz, an innovative district that impresses with its modern architecture and lively atmosphere. Our hotel offers you a unique location, right next to the renowned Helmut-List-Halle and the impressive Science Tower Graz. Hip cafés and restaurants are springing up around the hotel in a unique urban mix and you can relax in the neighboring „Nikolaus-Harmoncourt-Park“. Thanks to its close proximity to the main train station and the ideal connection with streetcar line 6, you can easily reach the center of the UNESCO Old Town of Graz in just 12 minutes without changing trains. And this is precisely why harry's home Graz-Smart City is the perfect base from which to discover Graz in all its facets.
