

WAFFU - MOBILE COFFEE & WAFFLE CATERING

CATEGORY

Coffee & fresh waffles from the blue Ape

We are WAFFU, a small family-run business based in Graz. We'll come to your event in our blue Piaggio Ape, make fresh coffee and bake vegan waffles on the spot. The Ape measures just 2.50 × 1.60 metres and can even be parked indoors, for example in halls or function rooms. Where it can't fit, we set up a small coffee counter that fits through a standard door. You'll find us at corporate events, weddings, trade fairs, balls and markets. All we need on site is a power supply.
