Steiermarkhof - train. meet. celebrate. stay. surrounded by greenery

In a peaceful setting on the west side of Graz, Steiermarkhof is a manifestly versatile training, conference and cultural centre with more than 3000 m² of space for events and an outdoor green area covering 10,000 m². With 20 up-to-date meeting rooms, a large ballroom for 400 people, 53 guest rooms and a restaurant featuring seating for 250 and regional, seasonal cuisine, guests are invited to train.meet.stay.celebrate among the greenery. Take a virtual tour of the entire Steiermarkhof [here](#).

train surrounded by greenery.

As the training, conference and cultural centre of the National Chamber of Agriculture and Forestry in Styria, training is at the focus of what we offer. In our training magazine we offer courses and events in the areas of personal development, health & nutrition, creative design as well as art & culture. All year round we stage series of exhibitions in our very own [hofgalerie].

meet & celebrate surrounded by greenery.

Covering our proprietary training work and more besides, we offer guest organisers facilities for seminars, workshops, meetings and large events as well as celebrations of all kinds. At the heart of Steiermarkhof is the Steiermarksaal hall (354 m²), offering capacity for events with up to 400 people. Also serving as versatile venues are Grimming, our second largest hall at 164 m², and numerous other air-conditioned meeting rooms from 22 to 95 m². Additionally, available for celebrations are our 3 restaurant rooms with total seating for 250, along with a large sunny terrace.

study surrounded by greenery.

One of the new Steiermarkhof's highlights is the surrounding greenery covering 10,000 m², with plenty of inviting places to sit and study. Available for team-building and exercises in skill is our Aktivgarten, with facilities such as the team seesaw, plank race, slack line and spider's web. The focus here is on the shared experience, strategic thinking and a measure of skill.

stay surrounded by greenery.

Whether you're participating in a seminar or staying on holiday or business: you have the choice of 53 quiet rooms (31 single, 17 twin and 5 double rooms) with shower/WC/sat-TV and free Wi-Fi. Tour groups are also very welcome.

safe surrounded by greenery.

Steiermarkhof is currently offering its guest rooms for home office purposes and is also open for overnight stays for business purposes. We share the desire for you to have a safe stay. Steiermarkhof participates in the "Safe Hospitality - Tourism Test Offer" initiative and is implementing safety and documentation measures
