

JOANNEUM QUARTER

CATEGORY EVENT VENUES

Tradition meets modernity – an atmospheric combination

Since 2011 the Joanneum Quarter has not only been the centrepiece of Austria's first public museum, but has also brought an important architectural focus to the area Neutorgasse/Kalchberggasse/Raubergasse, bringing new life into the inner city of Graz. The Neue Galerie Graz, the Bruseum, the Natural History Museum, the multimedia collections and the Styrian State Library are located there. The underground and yet light-filled auditorium and the attractive foyer provide a range of possibilities for your events.
