CATEGORY AGENCIES & CATERING

Your Event: Individual - Creative - Lasting

Idea and concept development, organisation, realisation and documentation – every event requires the full complement of professional equipment and staff.

We offer proprietary:

Sound, lighting, video and presentation equipment
Live broadcast and live-stream
Video production and event documentation
Video mail and Internet TV
Event furniture • Entire organisation

Innovative equipment ensures unique moments: LED walls, multimedia LCD video walls and aerial photographs with aerial drone or camera crane. The advanced techniques of yesteryear have become standard practice today. No matter what the future holds – we will be one step ahead.
