

THE “KAISERGEWÖLBE” AT WOHNPAK GRAZ GÖSTING

CATEGORY EVENT VENUES

The perfect setting for special occasions

The “Kaisergewölbe” imperial vaulted cellars are located at Wohnpark Graz Gösting, which stands on the historic site of the former, imperially-appointed supplier Kleinoscheg. Reconstruction of these imperial cellars by the developers Werner Gröbl and Karin Gutsch-Gröbl has yielded three rooms that combine modern equipment with tradition and which you can rent for your event. Excellent transport connections, the availability of underground parking and our guest rooms on site round the package off.
