CATEGORY AGENCIES & CATERING

Better variety - innovative catering for events and seminars

Featuring Mangolds' expected freshness and quality, we're happiest delivering veggie & vegan treats. We present our soup buffets with toppings and fresh herbs in either enamel of wooden finish. We inspire our guests with an authentic mix drawn from Austrian and Italian cuisine along with oriental and Indian dishes. Our standard products are certified organic. Be it seasonal and down-to-earth or light & tasty – that's our world.
