

GRAZ MUSEUM SCHLOSSBERG

CATEGORY EVENT VENUES

Hosting with cultural endorsement

The Graz Museum Schlossberg is the new place to arrive and linger on Graz's local mountain. The museum with four different formats enables everyone to engage with the history of the Schlossberg in a low-threshold and barrier-free way. In addition, the event room offers an ideal location for seminars, conferences and workshops. Not only does the Kanonenhalle offer the most beautiful view of Graz, it also provides a space for small events such as press conferences or get-togethers. Guided tours of the Graz Museum Schlossberg can also be booked in each case as part of events.
